

REGISTRATION OF A MARRIAGE ABROAD

Dear Sir/Madam,

We refer to your enquiry and wish to inform you that there is not formal application for the registration of the marriage of a South African citizen, who got married abroad. The Department of Home Affairs should however be informed of the marriage, so that the marital status and surname, if it has changed, of a South African citizen may be updated on the Population Register. The following documents must be submitted to register the marriage:

- written request for registration of a marriage abroad including the applicants full contact details (address, mobile phone number and email address);
- original or certified copy of the applicant's South African passport or identity document;
- original or certified copy of the foreign marriage certificate accompanied by an English translation by a sworn translator (*beeidigter Übersetzer*), if the original marriage certificate is not in English; alternatively, applicants who married in Germany may submit an extract from the marriage register (*Auszug vom Heiratsregister*), which is commonly known as an 'international marriage certificate'.

Should you have any further enquiries, please contact our office at your convenience.

Kind regards
